Since the erection of a roof extension would not impinge upon my property I have no reason to raise an objection. My only reservation would be the inconvenience of having the workmen in and out, through the house, for several months. This however would only be a temporary annoyance and should be accepted.

Hi I received a letter notifying me of the flat extension to one of the flats in the building I live in. I approve of the roof extension at Flat 6 Regent's Park Road.

I live in Flat 5 with my girlfriend and we are in favor of this extension.

Thank you,

Alan Howard
