Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
67 Gascony Avenue
London
NW6 4ND

Proposal:
Erection of rear dormer, creation of rear terrace at first floor level and installation of rooflights.

Drawing Nos: Site location plan; 15102/01; -02; -03F; & -04F.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; 15102/01; -02; -03F; & -04F.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed roof extension is subordinate in terms of size and scale to the host building and of an appropriate design by virtue of its materials, which in keeping with character and appearance of the building. Due to its size and location, it would not result in harm to the amenity of any adjoining residential occupiers. The proposed first floor terrace is sympathetic to the host building by virtue of its traditional railings and would not result in any significant loss of privacy given the existing overlooking in this location.

Whilst the development will have some impact in terms of introducing railings at roof level, such alteration in this location is not considered to cause detrimental harm to the character or appearance of the host building or the street scene due to the variety of extensions that exists in the vicinity.

No objection has been received. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2011; and paragraphs 14, 17 and 66 of the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be

heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
