Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 1 The property is a Grade II Listed Building and falls within the Regent's Canal Conservation Area. The application seeks listed building consent to reinstatement the bridge that was once between the Tack Room and Provender Store. A replacement window to west elevation of the site is also proposed. The works have been the result of discussions with the Conservation Officer and forms part of general upgrading works to the market area. The proposed works are considered acceptable and comply with guidance contained within supplementary documents and all relevant LDF policies.

No objections have been received to the proposal. The site's planning history has been taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

In light of the above, the proposed development is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policy DP25 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policy 7.8 of the London Plan [March 2015] consolidated with alterations since 2011, and paragraphs 126-128 of the National Planning Policy Framework (2012).
