Your comments on the planning application

I have been totally opposed to the demolition of this building. The considerable increase in height is not in keeping with the area and a source of concern to local residents. The access at the rear of the building is very narrow and confined, being a dead end. The notice of this application is one hidden sign, on a post next to a phone box, surrounded by rubbish. The date is 01 September 2015 to close within 21 days!! It is for this reason that I have not contacted you before.
