Water Comments

Supplementary Comments

Thames Water have reviewed the additional documentation and agree to discharge Conditions 31 and 57 of the planning application. This is based on the understanding that:

Works will be carried out in accordance with the submissions provided to Thames Water during the impact study review process (described in Camden Lock Village, London: Area D and E Thames Water asset impact assessment (ref: CG/18067A, date 29th October 2015), email Trigger limits for levelling points (date 30th October 2015) and in discussions with Khai Ng); and Vibration monitoring and ground movement monitoring will be carried out during the proposed works in accordance with Thames Water guidance, as stipulated by Khai Ng in the Letter of No Further Comment, dated 4th November 2015.

Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Yours faithfully
