

2.3 Transportation Assessment

The site is located just off of Farringdon Road. Farringdon station is just 240 metres away. The station is served by Thameslink and the London Underground. Crossrail will also be stopping here once complete in 2018.

There are numerous bus stops and cycle hire stands nearby. A secure, covered and well lit bicycle store is also provided in the left side of the building.

Chancery Lane underground station gives access to Central line
