H. FULL STATEMENT OF CASE

The full statement of case is set out in

the box below

We engaged a firm of reputable architects to extend our 1 bedroom flat sympathetically in accordance with many local precedents in our street and the neighbouring streets. We undertook an arboricultural report which concluded that there was no adverse impact on a tree in our garden. The length of the extension was in line with many other extensions (including one next door). The local area and garden can be viewed on google maps readily. The planning officer who visited indicated that he was supportive of the extension. However his superior rejected the extension, apparently on grounds of it's length. Our architects prepared an additional paper which showed clearly many local extensions which were similar (or larger). However consent was not granted, despite the support of the planning officer who had undertaken the site visit. He advised us that we should consider appealing, and therefore we are appealing to have the proposal approved. Thank you
