2015/5896/P	Jenny Maslin	18 St Mews London NW1 9TZ	10/11/2015 12:49:48	AMEND	The proposal to add a new window to the 2nd floor, is not in keeping with the architectural uniformity of the Mews and will have a negative impact on the terrace in this conservation area. Thus suggest amending the proposal.
