To whom it may concern,

I am enquiring about the proposed work at 104 Star House Grafton Road. I live next door in the 'Annroy Building' - 110-114 Grafton Road.

I would like to know the plans for operating hours for the necessary construction work. Will they comply with business hours and avoid weekends and evenings? Is there a proposed schedule?

Additionally, could you please tell me what the plans for residents' parking will be? Currently, no residents of my building (apart from the resident of the 'penthouse-suite') are able to get a parking permit. If the new residents of Star House are given the right for parking permits either on-street or in the courtyard of Star House, it seems fair to offer this to those in the Annroy Building.

Looking forward to your response.

Kind regards,
Tom Berliner
