Hi Vera,

Further to my email 2 weeks ago please could you confirm how you wish to proceed with the application?

I would advise withdrawing the current application and completely re-assessing the proposal and the impact it would have to the character of the listed building, using the comments from our conservation officer as guidance.

Kind regards,

Patrick Marfleet

Hi Vera,

Please find attached conservation officer comments regarding the current application. You will see that reference has been made to a previous application (ref: 2011/1098/P) for a rear extension that was refused at the site in 2011 and how the current proposal does not overcome the reasons for refusal.

Please confirm if you would like to withdraw the current application or proceed with a refusal.

Regards,

Patrick Marfleet
