Subject: Objection to planning application at 4 Languard Gardens

Dear Mr Hope

I am writing to object to the planning application outstanding at 4 Languard Gardens, NW3 6PY.

The application number is: 2015/3036/P

I object to the scale of the extension at the rear of the building. This is too large for the local area and will impact the neighbours of this house by invading their privacy and blocking their light.

I also note the dwelling was empty for a considerable period of time before the application was submitted and that this should be made a car free permission if granted given the limited amount of off street parking in our area and the scale of the increase in the number of bedrooms and occupation of this premises.

Thank you for the consideration of these points

Best regards,
Christine Rowley
