2015/3973/P	ALEC FORSHAW	49 GREAT ORMOND STREET WC1N 3HZ WC1N 3HZ WC1N 3HZ	16/11/2015 17:13:23	COMMNT	Further to the revised drawings for an additional storey at 2 Barbon Close I remain opposed to the proposals. The existing section drawing is misleading, in that the majority of the existing roof is a mono-pitch at a very low angle. No existing roof plan drawing has been supplied by the applicant. The proposal will significantly raise the pitch and bulk of the building and have a detrimental impact on the rear of the listed buildings in Great Ormond Street. The existing two storey bulk should remain the maximum. An extra storey would set an undesirable precedent for future extensions at the rear of Great Ormond Street.
