2015/5550/P	Patricia Hughes	32 Leverton St	21/11/2015 23:51:01	SUPPRT	I am pleased to see improvements planned for this house. This housing in this part of Leverton St is nineteenth century, and much if it in need of being brought up to the standard expected in the twenty first century. This will improve the housing stock in the area. The plans look attractive and generally in keeping with the style in the area.
