2015/5848/P	Jonathan Gillbanks	10 Bisham Gardens	18/11/2015 09:20:25	OBJ	Am in agreement with application provided I receive written indemnity from property owner for all reasonable corrective works to be performed on our neighbouring property in the event of damage arising from the proposed alterations. A similar alteration (Folding doors) was performed at the same address (Flat A) on the fourth floor flat which caused cracking in our wall. The developer verbally agreed to make good any damage but upon completion of the work disappeared with no corrective work or compensation.
