Your comments on the planning application

Particularly exercised about the removal of trees in a conservation are. The rural character of Millfield lane has been eroded over recent years and removing magnificent trees which are a focal gateway to the Heath would be tantamount to vandalism. I urgently request a site visit and consultation with the appropriate planning officer. Residents at No12 Millfield are already seeking support from elected representatives at local and national parliamentary level. We have further serious reservations about the creation of a new access point where the lane narrows and is frequently congested.
