Dear Lee

Thank you for your notification of tree works at 36 Ferncroft Avenue. Please accept my apologies for not responding to your previous notification.

However, before we can proceed with this, please can you clarify a couple of points? Firstly, we need to know the location of the tree in question (ie, front garden, rear garden, etc).

Also, the proposed works aren't clear – do you wish to reduce the height of the tree by 4 metres?

Please feel free to contact me should you have any queries, or wish to discuss further.

Kind regards
