Niall,

Further to previous correspondence we confirm that we are the contractors undertaking the fitout works for Gail's Bakery at 21, Swains Lane, London, N6 6QS. The client operation will be a cake/bread shop offering bread ,pasteries and cakes etc with the addition of limited eating and drinking on the premises. The operation will have a very limited baking facility with a small single bread oven . We have attached a copy of the full equipment schedule which will produce no odor as previously discussed. Should you require any further information do not hesitate in contacting me.

Regards,

Dave Bates
