I have only just received your Planning Application form - ref: 2015 5898/P. by chance from a fellow Resident of W/Ct. As I have lived here for almost 30yrs I would have preferred direct notification sooner, as I have only 1 day to comment.

DESIGN STATEMENT

TRAFFIC & PARKING ISSUES:
CORAM ST. is now more congested than ever, due to the one way street two blocks down making Coram St. the only outlet to ^{we have a place} Southampton Row, which has always been diff. for traffic & pedestrians.

ACCESS FOR DISABLED PEOPLE.
will make parking of ambulances & NHS taxis impossible: we have a growing no. of elderly people living in W/Ct. & finding a space (parking) is already v. difficult. Please do NOT remove the one & only disabled space.

A cycle hire docking station could perhaps be installed nearer the shopping centre or Hotel.

Thank you
