Dear Sir/Madam

APPLICATION TO MAKE NON-MATERIAL AMENDMENT TO PLANNING PERMISSION 2015/0197/P

123 HOLBORN, LONDON EC1N 2TD

On behalf of our client Sainsbury's Supermarkets Ltd and in respect of the above site, please find enclosed a s96a application to make a non-material amendment to planning permission 2015/0197/P, which permitted the "*Installation of a new shopfront with an automatic sliding entrance door to retail unit (Class A1)*".

The application has been submitted via the Planning Portal (ref: PP-04644719). The £195 fee has also been paid via the Planning Portal.

PROPOSED NON-MATERIAL AMENDMENTS AND THEIR ACCEPTABILITY

The proposed amendments comprise the repositioning of the entrance door, the introduction of glazing above the fascia, and an amendment to the detailing of the glazing panels. Drawing ref: 291 shows these amendments and is submitted for approval. Drawing ref: 290 shows the scheme as originally approved, and is submitted for informational purposes so a comparison can be drawn.

These amendments are sought further to detailed design improvements and to allow more natural light into the store. They are limited in nature and are not material changes to the scheme approved under planning permission 2015/0197/P. Accordingly, they can be considered under s96a of the Town and Country Planning Act.

We trust that the above is acceptable. If you have any queries or require further information, please contact me or my colleague Paul Keywood.

Yours faithfully
