FAO: NEW APPLICATIONS

Dear Sir/Madam

**RE: NORTH SEA FISH, 7-8 LEIGH STREET, CAMDEN, LONDON, WC1H 9EW
REMOVE MODERN BAY WINDOW STYLE TIMBER SHOP FRONT AND REPLACE
WITH NEW TRADITIONAL TIMBER SHOPFRONT COMPLETE WITH ASSOCIATED
DOORS AND FABRIC AWNINGS.**

Please find attached our application for Planning and Listed Building Consent:

- The completed application form.
- Covering Letter 1719.4.1-set-twimc1
- Design & Access Statement 1719-4.1-set-design&access.
- Heritage Statement 1719-4.1-set-heritage.
- Structural Survey 1719-4.1-set-structural.
- Drawing 1719.P01 Existing Plan and Elevation. Including Existing Photo and 1:500 Block Plan.
- Drawing 1719.P02 Proposed Plan and Elevation (Awnings Up). Including 1:1250 Location Plan.
- Drawing 1719.P03 Proposed Plan and Elevation (Awnings Down). Including Sections.

I trust that the drawings are clear, however the application is very simply to allow the removal of the existing poor quality modern shopfront and the creation of a new, traditional style painted timber shopfront. Two new fabric awnings are also proposed (set within fully concealed traditional awning boxes).

The signage shown will be dealt with by separate application.

I trust that all in is order but any queries please do not hesitate to call me.

Yours faithfully

STUART E. TRETT
Director
