2.9 “Detailed Basement
Construction Plan”

a plan setting out detailed information relating to the design and construction of the basement forming part of the Development with a view to minimising any or all impacts of the Development on Neighbouring Properties and the water environment and to provide a programme of detailed mitigating measures to be undertaken and put in place by the Owner with the objective of maintaining the structural stability of the Property and Neighbouring Properties as described in the Basement Impact Assessment prepared by Peter Brett dated April 2015 submitted with the Planning Application and to include the following key stages:-

1. the Owner to appoint an independent suitably certified engineer (qualified in the fields of geotechnical and/or structural engineering) from a recognised relevant professional body having relevant experience of sub-ground level construction commensurate with the Development (“the Basement Design Engineer”) AND FOR DETAILS OF THE APPOINTMENT TO BE SUBMITTED TO THE COUNCIL FOR WRITTEN APPROVAL IN ADVANCE (and for the Owner to confirm that any change in Basement Design Engineer during the Construction Phase with the Council in advance of any appointment); and,

2. the Basement Design Engineer to formulate the appropriate plan to fulfil the requirements of the Detailed Construction Basement Plan and at all times to ensure the following:-

(a)that the design plans have been undertaken in strict accordance with the terms of this Agreement incorporating proper design and review input into the detailed design phase of the Development and ensuring that appropriately conservative modelling relating to the local ground conditions and local water environment and structural condition of Neighbouring Properties have been incorporated into the final design; and

(b)that the result of these appropriately conservative figures ensure that the Development will be undertaken without any impact on the structural integrity of the Neighbouring Properties beyond "Slight" with reference to the Burland Category of Damage; and

(c)that the Basement Design Engineer having confirmed that the design plans have been undertaken in strict accordance with this Agreement and includes a letter of professional certification confirming this and that the detailed measures set out in sub-clauses (i)-(vii) below have been incorporated correctly and appropriately and are sufficient in order to achieve the objectives of the Detailed Basement Construction Plan;

- (i) reasonable endeavours to access and prepare a detailed structural appraisal and conditions survey of all the Neighbouring Properties to be undertaken by an independent suitably qualified and experienced chartered surveyor (and for details to be offered if this is not undertaken in full or part);
- (ii) a method statement detailing the proposed method of ensuring the safety and stability of Neighbouring Properties throughout the Construction Phase including temporary works sequence drawings and assumptions with appropriate monitoring control risk assessment contingency measures and any other methodologies associated with the basement and the basement temporary works;
- (iii) detailed design drawings incorporating conservative modelling relating to the local ground conditions and local water environment and structural condition of Neighbouring Properties prepared by the Basement Design Engineer for all elements of the groundworks and basement authorised by the Planning Permission together with specifications and supporting calculations for both the temporary and permanent basement construction works;
- (iv) the Basement Design Engineer to be retained at the Property throughout the Construction Phase to inspect approve and undertaking regular monitoring of both permanent and temporary basement construction works throughout their duration and to ensure compliance with the

plans and drawings as approved by the building control body;

(v) measures to ensure the on-going maintenance and upkeep of the basement forming part of the Development and any and all associated drainage and/or ground water diversion measures order to maintain structural stability of the Property the Neighbouring Properties and the local water environment (surface and groundwater);

(vi) measures to ensure ground water monitoring equipment shall be installed prior to Implementation and retained with monitoring continuing during the Construction Phase and not to terminate monitoring until the issue of the Certificate of Practical Completion (or other time agreed by the Council in writing); and,

(vii) amelioration and monitoring measures of construction traffic including procedures for co-ordinating vehicular movement with other development taking place in the vicinity and notifying the owners and or occupiers of the residences and businesses in the locality in advance of major operations delivery schedules and amendments to normal traffic arrangements.

3. the Owner to appoint a second independent suitably certified engineer (qualified in the fields of geotechnical and/or structural engineering) from a recognised relevant professional body having relevant experience of sub-ground level construction commensurate with the Development ("the Certifying Engineer") AND

FOR DETAILS OF THE APPOINTMENT OF THE CERTIFYING ENGINEER TO BE SUBMITTED TO THE COUNCIL FOR WRITTEN APPROVAL IN ADVANCE; and,

4. for the Certifying Engineer to review the design plans and offer a 2 page review report to the Council confirming that the design plans have been formulated in strict accordance with the terms of this Agreement and have appropriately and correctly incorporated the provisions of sub-clauses (i)-(vii) above and are sufficient to achieve the objectives of the Detailed Basement Construction Plan AND should any omissions, errors or discrepancies be raised by the Certifying Engineer then these to be clearly outlined in the report and thereafter be raised directly with the Basement Design Engineer with a view to addressing these matters in the revised design plans.
5. Only thereafter shall the Owner submit the agreed finalised version of the Detailed Basement Construction Plan to the Council for its written approval with a letter of professional certification from the Certifying Engineer confirming that the Detailed Basement Construction Plan is an approved form and has been formulated in strict accordance with the terms and clauses of this Agreement.
6. The Owner to respond to any further questions and requests for further information about the submitted plan from the Council AND IN THE EVENT that a further technical assessment be required then the Owner agrees to reimburse the

Council for any costs expended which requires the instruction of an independent assessment in order to resolve any unresolved issues or technical deficiencies in the Council's consideration of the submitted plan

- 3.1 This Agreement is made in pursuance of Section 106 of the Act, and is a planning obligation for the purposes of Section 106 as aforesaid, and shall be enforceable by the Council against the Owner as provided herein and against any person deriving title to any part of the Property from the Owner and insofar as it is not a planning obligation its provisions may be enforceable by the Council under any relevant statutory powers.
- 3.2 Words importing the singular shall include the plural and vice versa and any words denoting actual persons shall include companies corporations and other artificial persons.
- 3.3 Any reference to a specific statute or statutes include any statutory extension or modification amendment or re-enactment of such statute and any regulation or orders made under such statute.
- 3.4 The clause and paragraph headings do not form part of this Agreement and shall not be taken into account in its construction or interpretation.
- 3.5 It is hereby agreed between the Parties that save for the provisions of clauses 1, 2, 3, 5, 6, 7 and 8 hereof all of which shall come into effect on the date hereof the covenants undertakings and obligations contained within this Agreement shall become binding upon the Owner upon the Implementation Date.

3.6 The Council hereby agrees to grant the Planning Permission on the date hereof.

3.7 The Parties save where the context states otherwise shall include their successors in title.

4. **OBLIGATIONS OF THE OWNER**

The Owner hereby covenants with the Council as follows:-

4.1 **Construction Management Plan**

4.1.1 On or prior to the Implementation Date to provide the Council for approval a draft Construction Management Plan.

4.1.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Construction Management Plan as demonstrated by written notice to that effect.

4.1.3 The Owner acknowledges and agrees that the Council will not approve the Construction Management Plan unless it demonstrates to the Council's reasonable satisfaction that the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network.

4.1.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Construction Management Plan and not to permit the carrying out of any works comprised in demolition or building out the Development at any time when the requirements of the Construction Management Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall forthwith take any steps required to remedy such non-compliance.

4.2 **Detailed Basement Construction Plan**

4.2.1 On or prior to the Implementation Date to provide the Council for approval the Detailed Basement Construction Plan.

- 4.2.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Detailed Basement Construction Plan as demonstrated by written notice to that effect.
- 4.2.3 The Owner acknowledges and agrees that the Council will not approve the Detailed Basement Construction Plan unless it demonstrates by way of certification by a suitably qualified engineer from a recognised relevant professional body to the Council's reasonable satisfaction that the Development can be constructed safely in light of the ground and water conditions and will not cause any structural problems with neighbouring properties nor the Development itself.
- 4.2.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Detailed Basement Construction Plan and not to permit the carrying out of any works comprised in building out the Development at any time when the requirements of the Detailed Basement Construction Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall upon notice from the Council forthwith take any steps required to remedy such non-compliance.
- 4.2.5 Not to Occupy or permit Occupation of the Development until a satisfactory post-completion review has been submitted to and approved by the Council in writing by way of certification by a suitably qualified engineer from a recognised relevant professional body confirming that the measures incorporated in the Detailed Basement Construction Plan as approved by the Council have been incorporated into the Development.
- 4.2.6 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Detailed Basement Construction Plan as approved by the Council and in the event of any breach shall forthwith take any steps required to remedy such non-compliance.
- 4.3 **Highways Contribution**
- 4.3.1 On or prior to the Implementation Date to pay to the Council the Highways Contribution in full.
- 4.3.2 On or prior to the Implementation Date to submit to the Council the Level Plans for

approval.

- 4.3.3 Not to Implement or to permit Implementation until such time as the Council has received the Highways Contribution in full.
- 4.3.4 Not to Implement nor permit Implementation until such time as the Council has approved the Level Plans.
- 4.3.5 The Owner acknowledges that the Council has the right reserved to it to construct the Public Highway to levels it considers appropriate.
- 4.3.6 On completion of the Highway Works the Council may provide to the Owner a certificate specifying the sum ("the Certified Sum") expended by the Council in carrying out the Highway Works.
- 4.3.7 If the Certified Sum exceeds the Highway Contribution then the Owner shall within fourteen days of the issuing of the said certificate pay to the Council the amount of the excess.

5. **NOTICE TO THE COUNCIL/OTHER MATTERS**

- 5.1 The Owner shall give written notice to the Council on or prior to the Implementation Date specifying that Implementation of the Planning Permission has taken or is about to take place.
- 5.2 Within seven days following completion of the Development the Owner shall certify in writing to the Planning Obligations Monitoring Officer in the manner outlined at clause 6.1 hereof quoting the Planning Permission reference 2014/5589/P the date upon which the Development is ready for Occupation.
- 5.3 The Owner shall act in good faith and shall co-operate with the Council to facilitate the discharge and performance of all obligations contained herein and the Owner shall comply with any reasonable requests of the Council to have access to any part of the Property or any requests to provide documentation within the Owner's possession (at the Owner's expense) for the purposes of monitoring compliance with the obligations contained herein.

- 5.4 The Owner agrees declares and covenants with the Council that it shall observe and perform the conditions restrictions and other matters mentioned herein and shall not make any claim for compensation in respect of any condition restriction or provision imposed by this Agreement and further shall indemnify the Council for any expenses or liability arising to the Council in respect of breach by the Owner of any obligations contained herein save to the extent that any act or omission of the Council its employees or agents has caused or contributed to such expenses or liability.
- 5.5 *If satisfied as to the compliance of the Owner in respect of any obligation in this Agreement the Council shall (if requested to do so in writing and subject to payment of a fee of £1,000 in respect of each such obligation) provide through its Head of Legal Services a formal written certification of compliance, partial compliance or ongoing compliance (as and if appropriate) with the provisions of any such obligation.*
- 5.6 Submission of any plan for approval by the Council under the terms of this Agreement shall be made by the Owner to the Council sending the full document and any appendices in electronic format (where practicable) to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such plan relates quoting the Planning Permission reference 2014/5589/P.
- 5.7 Payment of the Highways Contribution pursuant to Clause 4.3 of this Agreement shall be made by the Owner to the Council sending the full amount via electronic transfer (where practicable). The owner shall notify the Planning Obligations Monitoring Officer that payment has been made referring to names date and Parties to this Agreement and citing the specific clause of this Agreement to which such contribution relates quoting the planning reference 2014/5589/P. Electronic Transfer is to be made directly to the National Westminster Bank of Hampstead Village quoting Sort Code 50-30-03 and London Borough of Camden General Account no. 24299480.
- 5.8 All consideration given in accordance with the terms of this Agreement shall be exclusive of any value added tax properly payable in respect thereof and all parties other than the Council shall pay and indemnify the Council against any such value added tax properly payable on any sums paid to the Council under this Agreement

upon presentation of an appropriate value added tax invoice addressed to the Owner.

- 5.9 Any sums referred to in this Agreement as payable or to be applied by any party other than the Council under this Agreement shall be paid or applied TOGETHER WITH if such payment or application is made more than three months from the date of this Agreement a further sum ("A") being equal to the original sum payable ("B") multiplied by a figure being a fraction of which the All Items of Retail Prices ("the AIIRP") figure last published by the Central Statistical Office at the date hereof is the denominator ("X") and the last AIIRP figure published before the date such payment or application is made ("Y") less the last published AIIRP figure at the date hereof ("X") is the numerator so that

$$A = B \times \frac{(Y-X)}{X}$$

- 5.10 All costs and expenses payable to the Council under this Agreement shall bear interest at the rate of 4% above the Base Rate of the National Westminster Bank plc from time to time being charged from the date such payment is due until payment is made.

6. **IT IS HEREBY AGREED AND DECLARED** by the Parties hereto that:-

- 6.1 The provisions of Section 196 of the Law of Property Act 1925 (as amended) shall apply to any notice or approval or agreement to be served under or in connection with this Agreement and any such notice or approval shall be in writing and shall specifically refer to the name, date and Parties to the Agreement and shall cite the clause of the Agreement to which it relates and in the case of notice to the Council shall be addressed to the London Borough of Camden, Planning Obligations Officer, Urban Design and Renewal, Planning and Public Protection, Culture and Environment Directorate, Town Hall Annex, Argyle Street, London WC1H 9LP quoting the Planning Permission reference number 2014/5589/P and in the case of any notice or approval or agreement from the Council this shall be signed by a representative of the Council's Environment Department.
- 6.2 This Agreement shall be registered as a Local Land Charge.

- 6.3 The Owner agrees to pay the Council its proper and reasonable legal costs incurred in preparing this Agreement on or prior to the date of completion of the Agreement.
- 6.4 The Owner hereby covenants with the Council that it will within 28 days from the date hereof apply to the Chief Land Registrar of the Land Registry to register this Agreement in the Charges Register of the title to the Property and will furnish the Council forthwith on written demand with official copies of such title to show the entry of this Agreement in the Charges Register of the title to the Property.
- 6.5 Nothing contained or implied in this Agreement shall prejudice or affect the Council's powers to enforce any specific obligation term or condition nor shall anything contained or implied herein prejudice or affect any provisions, rights, powers, duties and obligations of the Council in the exercise of its functions as Local Planning Authority for the purposes of the Act or as a local authority generally and its rights, powers, duties and obligations under all public and private statutes, bye laws and regulations may be as fully and effectually exercised as if the Council were not a party to this Agreement.
- 6.6 Neither the Owner or the Mortgagee nor their successors in title nor any person deriving title from them shall be bound by the obligations in this Agreement in respect of any period during which it no longer has an interest in the Property but without prejudice to liability for any breach committed prior to the time it disposed of its interest.
- 6.7 For the avoidance of doubt the provisions of this Agreement (other than those contained in this sub-clause) shall not have any effect until this Agreement has been dated.
- 6.8 If the Planning Permission is quashed or revoked or otherwise withdrawn or expires before effluxion of time for the commencement of development this Agreement shall forthwith determine and cease to have effect.

7. **MORTGAGEE EXEMPTION**

7.1 The Mortgagee hereby consents to the Owner entering into this Agreement and agrees that the security of its charge over the Property shall take effect subject to this Agreement.

7.2 The Parties agree that the obligations contained in this Agreement shall not be enforceable against any mortgagee or chargee of the whole or any part of the Property unless it takes possession of the Property in which case it will be bound by the obligations as a person deriving title from the Owner.

8. RIGHTS OF THIRD PARTIES

THE FIRST SCHEDULE

Construction Management Plan Highway Measures

A Construction Management Plan outlines how construction work will be carried out and how this work will be serviced (e.g. delivery of materials, set down and collection of skips), with the objective of minimising traffic disruption and avoiding dangerous situations and minimising the impact on local amenity. A Construction Management Plan should cover both demolition and construction phases of development. Details of the Construction Management Plan will relate to the scale and kind and location of the development and they should assess the impact on transport and on local amenity including road user amenity. Should any one of these criteria be considered not to be relevant, then specific justification, as to why that particular criterion is not relevant, will need to be provided. The Construction Management Plan should demonstrate that the following has been considered and where necessary the impacts mitigated:

(Note the term 'vehicles' used here refers to all vehicles associated with the implementation of the development, e.g. demolition, site clearing, delivering of plant, material and construction, staff parking etc)

- a) A brief description of the site, surrounding area and development proposals for which the Construction Management Plan applies.
- b) Proposed start and end dates for each phase of construction.
- c) The proposed working hours within which vehicles will arrive and depart.
- d) The access arrangements for vehicles.
- e) Proposed routes for vehicles between the site and the Transport for London Road Network (TLRN). Consideration should also be given to weight restrictions, low bridges and cumulative affects of construction on the highway. A map of the TLRN can be downloaded from the following site:-

http://www.tfl.gov.uk/assets/downloads/TFL_Base_Map_Master.pdf
- f) Typical sizes of all vehicles and the approximate frequency and times of day when they will need access to the site, for each phase of construction.
- g) Swept path drawings for any tight manoeuvres on vehicle routes to the site.
- h) Details (including accurate scaled drawings) of any highway works necessary to enable construction to take place.

- i) Parking and loading arrangement of vehicles and delivery of materials and plant to the site.
- j) Details of proposed parking bays suspensions and temporary traffic management orders.
- k) Proposed overhang (if any) of the public highway (scaffolding, cranes etc.).
- l) Details of hoarding required or any other occupation of the public highway.
- m) Details of how pedestrian and cyclist safety will be maintained, including any proposed alternative routes (if necessary), and any Banksman arrangements.
- n) Details of how traffic associated with the Development will be managed in order to reduce congestion.
- o) Details of any other measures designed to reduce the impact of associated traffic (such as the use of construction material consolidation centres).
- p) Details of how any significant amounts of dirt or dust that may be spread onto the public highway will be cleaned or prevented.
- q) Details of consultation on a draft Construction Management Plan with local residents, business, local groups (e.g. residents/tenants and business associations) and Ward Councillors. Details should include who was consulted, how the consultation was conducted and the comments received in response to the consultation. In response to the comments received, the Construction Management Plan should then be amended where appropriate and where not appropriate a reason should be given why not. The revised Construction Management Plan should also include a list of all the comments received. You are advised to check your proposed approach to consultation with the Council before carrying it out.
- r) Details of any Construction Working Group that will be set up, addressing the concerns of surrounding residents, as well as contact details for the person responsible for community liaison on behalf of the developer, and how these contact details will be advertised to the community.
- s) Details of any schemes such as the "Considerate Contractors Scheme" that the project will be signed up to should form part of the consultation and be notified to the Council. Contractors will also be required to follow the "Guide for Contractors Working in Camden" also referred to as "Camden's Considerate Contractor's Manual"

t) Details of other construction sites in the local area and how your Construction Management Plan takes into consideration the cumulative effects of construction local to your site.

u) All contractors and sub-contractors operating large vehicles over 3.5 tonnes must meet all of the following conditions:-

- 1) Operators must be a member of TfL's Fleet Operator Recognition Scheme (www.tfl.gov.uk/fors) or similar at the Bronze level.
- 2) All drivers must have undertaken cycle awareness training such as the Safe Urban Driver module through FORS or similar.
- 3) All vehicles associated with the construction of the Development must:
 - i. Have Side Guards fitted, unless it can be demonstrated to the reasonable satisfaction of the Employer, that the Lorry will not perform the function, for which it was built, if Side Guards are fitted.
 - ii. Have a close proximity warning system fitted comprising of a front mounted, rear facing CCTV camera (or Fresnel Lens where this provides reliable alternative), a Close Proximity Sensor, an in-cab warning device (visual or audible) and an external warning device to make the road user in close proximity aware of the driver's planned manoeuvre.
 - iii. Have a Class VI Mirror
 - iv. Bear prominent signage on the rear of the vehicle to warn cyclists of the dangers of passing the vehicle on the inside.

v) Any other relevant information with regard to traffic and transport.

w) The Construction Management Plan should also include the following statement:-

"The agreed contents of the Construction Management Plan must be complied with unless otherwise agreed with the Council. The project manager shall work with the Council to review this Construction Management Plan if problems arise in relation to the construction of the Development. Any future revised plan must be approved by the Council and complied with thereafter."

It should be noted that any agreed Construction Management Plan does not prejudice further agreement that may be required for things such as road closures or hoarding licences

Second Schedule

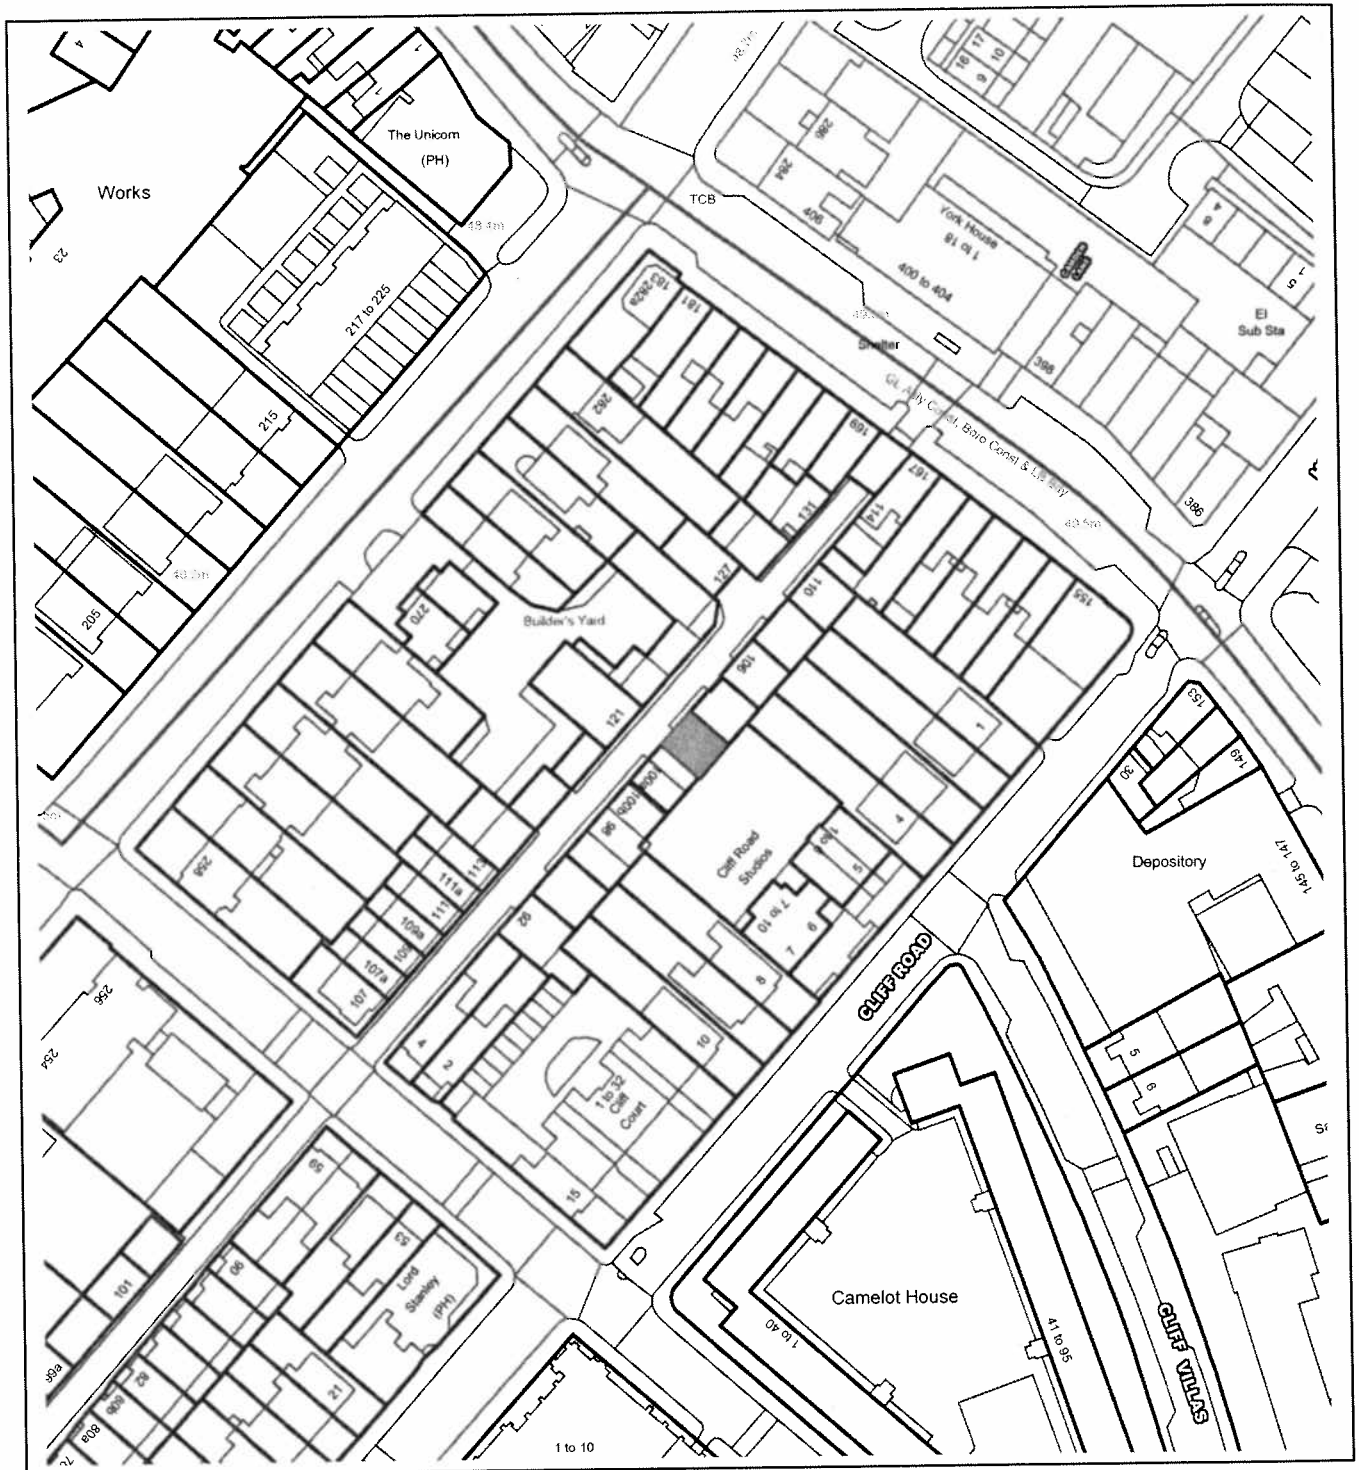

Category of damage	Description of typical damage	Approximate crack width (mm)	Limiting tensile strain ϵ_{lim} (per cent)
0 Negligible	Hairline cracks of less than about 0.1 mm are classed as negligible	<0.1	0.0-0.05
1 Very slight	Fine cracks that can easily be treated during normal decoration. Perhaps isolated slight fracture in building. Cracks in external brickwork visible on inspection	<1	0.05-0.075
2 Slight	Cracks easily filled. Redecoration probably required. Several slight fractures showing inside of building. Cracks are visible externally and some repointing may be required externally to ensure weathertightness. Doors and windows may stick slightly.	<5	0.075-0.15
3 Moderate	The cracks require some opening up and can be patched by a mason. Recurrent cracks can be masked by suitable lining. Repointing of external brickwork and possibly a small amount of brickwork to be replaced. Doors and windows sticking. Service pipes may fracture. Weathertightness often impaired.	5-15 or a number of cracks > 3	0.15-0.3
4 Severe	Extensive repair work involving breaking-out and replacing sections of walls, especially over doors and windows. Windows and frames distorted, floor sloping noticeably. Walls leaning or bulging noticeably, some loss of bearing in beams. Service pipes disrupted.	15-25 but also depends on number of cracks	>0.3
5 Very severe	This requires a major repair involving partial or complete rebuilding. Beams lose bearings, walls lean badly and require shoring. Windows broken with distortion, Danger of instability.	Usually > 25 but depends on number of cracks

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the Council before the relevant part of the work is begun:

a) Plan, elevation and section drawings, including jambs, head and cill, of all new external window and door at a scale of 1:10 with typical glazing bar details at 1:1.

d) Typical details of new railings and balustrade at a scale of 1:10 with finials at 1:1, including method of fixing.

c) A sample panel of all facing materials should be erected on-site and approved by the Council before the relevant parts of the work are commenced and the development shall be carried out in accordance with the approval given. The panel must include facing brickwork demonstrating the proposed colour, texture, face-bond and pointing.

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site throughout the duration of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 4 The windows hereby permitted on the rear elevation shall be constructed using only obscured glazing, fixed shut and so maintained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 5 No lights, meter boxes, flues, vents or pipes, and no telecommunications equipment, alarm boxes, television aerials, satellite dishes or rooftop 'mansafe' rails shall be fixed or installed on the external face of the buildings, without the prior approval in writing of the local planning authority.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 [and DP25 if in CA] of the London Borough of Camden Local Development Framework Development Policies.

- 6 All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 7 The development hereby permitted shall be carried out in accordance with the following approved plans [Site Plan - 100; Demolition - 141a, 142; Existing - 101b, 102b, 103b, 105b, 106b, 110b, 111c; Proposed - 120d, 121d, 122d, 123d, 124d, 125d, 126b, 130b, 131b, 132b, 133b, 134a; Basement Impact Assessment (Screening and Scoping), prepared by Peter Brett, dated December 2014 (2nd submission); Basement Impact Assessment (Screening and Scoping), prepared by Peter Brett, dated October 2014 (1st submission); Basement Impact Assessment, prepared by Peter Brett, dated April 2015 (3rd submission); Design and access statement, prepared by Dols Wong Architects; Arboricultural and Planning Integration Report (Ref:GHA/DS/1980:12), prepared by GHA Trees, dated 29th May 2012; Lifetime Holmes Criteria assessment, dated 26th August 2014; Building Appraisal prepared by Peter Powlesland Historic Buildings Consultant; Independent review,

prepared by LBH Wembley, dated December 2014; Independent review, prepared by LBH Wembley, dated March 2015; Independent review, prepared by LBH Wembley, dated May 2015; Proposed Basement Plan Showing Structure Over, prepared by Martin Redston Associates; Suggested Underpinning Sequence, prepared by Martin Redston Associates; Proposed Underpinning Temporary Works, prepared by Martin Redston Associates, dated 02/10/2014; Proposed Retaining Wall Sections, prepared by Martin Redston Associates; Mews section (sk); Proposed Construction Method Statement and Sequence of Works, prepared by Martin Redston Associates, dated 2nd October 2014; Proposed Monitoring Regime, prepared by Martin Redston Associates, ref:12.568; Calculations for retaining walls, prepared by Martin Redston Associates, ref:12.568, dated October 2014; Site investigation - prepared by Herts and Essex Site Investigations, dated 05.11.2014.]

Reason: For the avoidance of doubt and in the interest of proper planning.

- 8 Before the development commences, details of internal provision for at least 3 cycles together with storage of refuse and recycling shall be submitted to and approved by the local planning authority. The approved facilities shall thereafter be provided in their entirety prior to the first occupation of the premises, and permanently retained thereafter.

Reason: To ensure the development provides adequate facilities for cycle parking and refuse storage in accordance with the requirements of policies CS11 and CS18 of the London Borough of Camden Local Development Framework Core Strategy, policies DP17, DP26 and DP28 of the London Borough of Camden Local Development Framework Development Policies and table 6.3 of the London Plan.

Informative(s):

- 1 The London Borough of Camden introduced the Community Infrastructure Levy (CIL) on the 1st of April 2015 to help pay for local infrastructure. This is in addition to the Mayoral CIL which helps fund the Crossrail introduced on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay the CIL charge.

The proposed charge in CIL will be calculated in accordance with the regulations set out in Part 5 of the Community Infrastructure Levy Regulations 2010 (as amended). For further information on the Camden CIL or Mayoral CIL charge please follow the link provided: http://www.camden.gov.uk/ccm/cms-service/stream/asset/?asset_id=3298006

You are required to assume liability and notify the CIL team on commencement using the forms that can be downloaded from planning portal; <http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will issue an assumption of liability setting out the calculation and CIL demand notice setting out the method of payment accordingly. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to

assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or queries to CIL@Camden.gov.uk

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 3 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 4 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 5 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.
- 6 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.
- 7 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully

Culture and Environment Directorate
