CHARELLE

Under the Town and Country planning Act I am also duty bound to inform the London Borough of Camden that I have made a planning application for the works described on the drawing that I sent over yesterday and that if you have any comments then you should make them in writing to the Chief Planning Officer c/o The Town Hall, Judd Street LONDON WC1H 9JE....

DEAR CHERELLE

As discussed earlier this afternoon I have been appointed by the leaseholders of this flat to make a planning application for an extension to the rear which will also involve us in some extensive structural engineering although in the first instance we would want to secure the planning approval before involving structural engineers.

I am attaching the following information as the first steps to seeking consent from Camden who I understand hold the freehold of the property:

- Survey drawing 10422.
- Proposal drawing 2064.01

I would be pleased to provide any further clarification if you need it.

Regards

JOHN
