Dear Madam

Re: Lower Wellside Well Walk London NW3 1Bt

I received the enclosed letter regarding a planning application. Unfortunately although we did go on to the website, the application reference number was omitted from your letter and we cannot find the actual application, or the plans that you are considering. I did try to call, but the phone was not answered, so am writing to you by mail, to say that we are on the boundary of the property and would like to see the planning application. Can you advise us as to how to short cut, and actually obtain, or inspect a copy of the planning application. Unfortunately I am leaving for Hong Kong, and as we are on the boundary feel that it is essential for us to view, and comment the application.

Could you advise us as to how to obtain it, or send us a reference number, so we can locate it on line on order that we can comment as is our right, on the plans.
