I am a license holder on the above premises (PERS-LIC(48P))
The Carpenters Arms P.H. is a vibrant local pub surrounded by mainly social housing and was granted an 'AUC' this year. If private flats are converted from the living accommodation above the pub the music and darts venue will be at risk of complaints from the tenants. Also a large portion of the bar area will be lost to allow for a staircase to be built to access the top floors.
We have lost three public houses on Kings Cross Road over the last few years.
Permission was given for the Pakenham Arms for a lock up bar and private accommodation, this still remains empty and I feel this may be the case for the Carpenters.
Allowing the property owners to close the pub down.

IT has been a Pub and a home for Dave + Jackie as long as I can remember, and a Place to meet friends and family.

I have already had to move from two Pubs already because of greedy Property developers and fear there will be very little choice of Pubs locally and within my Price range left to frequent.

I hope you reject this Planning application on the grounds of the Pub being part of the local community, and within reach of some of the elderly and infirm.

yours in hope
R. Fraser

Your comments

Having lived locally in the area for quite a number of years, I find it very upsetting that there is a planning application for the property 105 Kings Cross Rd. It has a great history and it would be a shame to change the original décor in or outside the building. It would also spoil the community as we know it, the people of Kings cross find this property traditional and very uplifting and a welcoming place to meet and socialize. I feel the big Company are now bullying and pushing the likes of 105 King Cross Rd into a dark corner so they have no choice but to go with the changes. Some of your departments at Camden Council can vouch for how welcoming and how much 105 King Cross Road is need by the locals because they have visited there and had many functions there. I strongly OBJECT to this application going through as it would destroy and unset many of the local people and the area as we know it. Something to not have to change to progress.

Yours faithfully,

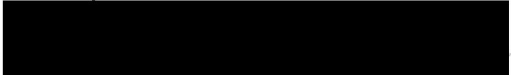

Terry Wood

THIS APPLICATION SHOULD NOT GO THROUGH FOR THE FOLLOWING REASONS:

- 1) THE CARPENTERS ARMS IS A HISTORICAL BUILDING WHICH HAS BEEN INTACT SINCE THE 19TH CENTURY.
- 2) IF THE PUB WAS TO BE ALTERED, THIS WOULD RESULT IN LESS SPACE FOR CUSTOMERS.
- 3) IF THE APARTMENTS/FLATS WERE TO BE BUILT, THIS WOULD RESULT IN CONFLICT OF INTEREST: PEOPLE LIVING ABOVE THE PUB WOULD EXPERIENCE 'NOISE' FROM CUSTOMERS DUE TO MUSIC/PUBLIC NOISE; THIS WOULD AFFECT THE LIVE MUSIC ON CERTAIN NIGHTS, IN TURN IT WOULD CREATE COMPLAINTS, WHICH WOULD MEAN LESS TRADE. LESS TRADE = NO BUSINESS, WHICH MEANS LESS CUSTOMERS, AND EVENTUAL CLOSURE.
- 4) 3 PUBS IN THE AREA HAVE ALREADY SHUT DOWN; LET'S

NOT MAKE THE CARPENTER'S ARMS ANOTHER TRAGEDY!

The Pub is at the heart of the local darting scene with 6 teams playing during the week & is the focal point for backpacking tourists staying at the Hostel opposite. If the top is turned into flats people will start to complain of the noise below which means the pub will be shut down. It is used by local people on the weekend to listen to music & meet up with friends many backpackers also return because they are made welcome by the publicans & staff.

Your comments

If the application goes ahead the Pub will have to close down for alterations. The area deemed to the Dart Board & Band, live music will disappear. The pub will lose 1/5 or 1/6 of the space. The closure of the pub will prevent the use of dart board, therefore the teams will lose their place to play. The live music will go. The asset to the community will lose another public house were lost to many already. We don't want to lose another one.

The old saying if not Broken Don't Fix it.

If the plans do go ahead we will lose it i.e.

Broken can never be fixed the asset gone forever. [REDACTED]

I am so sadden to hear that our local public house the Carpenters Arms 105 Kings Cross Rd has had a planning application made to have work done to the property which will change all the traditions that we have come to know and love, I feel that the bigger business in this field are bullying and intimidating the small traditional public houses into a corner so that they have no choice but to go with it. The Carpenters Arms has been my family and my 92y's old disable dads local for many years and this is the only place that my dad feels comfortable and safe in. Please dont change the little bit of happiness that us locals have for the sake of greed. My family and I strongly OBJECT to this application.

HAVING LIVED LOCALLY FOR 60 YEARS
IT SEEMS EVERY PUBLIC HOUSE IS SOLD
TO PROPERTY DEVELOPERS REGARDLESS
OF THE LOCAL NEED FOR AMENITIES
AND LEISURE AND A GOOD PUBLIC HOUSE
IS CONSIDERED PART OF LOCAL INTEREST,
~~AND~~ TO FURTHER GAIN FOR DEVELOPER
IS UNREASONABLE CONSIDERING HOW
MUCH DAMAGE HAS ALREADY BEEN
DONE TO THE AREA
