

Demolition Roof Floor Plan

Proposed Roof Floor Plan

Key:

- Existing structure / earth
- New structure
- Line denotes removal of existing structure
- SVP
- FCU
- Fan Coil Unit

General Notes:

- Refer to the Door and Window Schedules for a detailed summary of the proposal for each door and window.
- All existing floor finishes are to be removed.
- Existing floorboards are to be carefully removed and set aside. New floorings are to be installed to the top of the existing joists in order to level, and then the existing floorboards are to be reinstated.
- Existing original skirtings are to remain in situ.

Legend:

- Proposed straight-plank hardwood floor finish on specified floor build-up.
- Proposed stone floor finish on specified floor build-up.
- Proposed carpet on specified floor build-up.
- Specified Paving

Proposed floor build-ups:

Floor 1: Specified floor finish on new ply, on existing floor boards, laid over existing levelled joists, with new insulated and water-fed UFH system between existing joists. Refer to Structural Engineers Report.

Floor 2: Specified floor finish on new electric UFH mat, on new ply, on existing floor boards, laid over existing (levelled) joists, with new insulation between existing joists. Refer to Structural Engineers Report.

Floor 3: Specified floor finish on new pedestals.

Floor 4: Specified floor finish on new screed with new water-fed UFH system on new insulation, on existing structure.

Demolition Notes:

- Non-original rooflight to be removed.
- Existing Structure to be removed.
- Existing door to be locked shut and ironmongery removed.
- Non-original raised floor to be levelled to match adjacent rooms.
- Existing security railings to be removed.
- Proposed area of excavation for drainage and services.
- Excavation in preparation for new lift.
- Removal of non-original mouldings. Please refer to Statement of Significance (The Architectural Company).
- Non-original roof to be removed.
- Existing non original staircase to be removed.
- Existing Floor Finishes to be removed.
- Existing Railings to be modified.
- Non-original door/window to be removed.
- Existing non original joinery to be removed.
- Removal of non-original floor slab in preparation of new lowered floor level.
