Your comments on the planning application

This application envisages placing air conditioning units on a flat office roof. This would not be an issue other than that the site is actually in a densely populated residential area, overlooked by 2 large blocks of flats on Stephen Street and a 9 unit residential development on Hanway Place. Therefore the noise from the units will have a detrimental affect on the ability of residents in all these properties to enjoy their homes peacefully. Even if there are claims that the units will not create noise initially, this is unlikely to remain the case as they deteriorate - as has happened with the garage roller doors to the same office development,

which were silent initially but are now far from quiet.  
Therefore I strongly object to this application. Already the  
offices are generating noise from their loading bay 7 days a  
week. This is simply a step too far.
