Dear Camden,

**REF: 2015/3297/P**

My Housing Association reckons there will be no impact on my current living space ( Flat 5 308 Kilburn High Road)

Bearing in mind the disruption that REF: 2015/1688/P has caused to me, I don't see how demolition / extension can possibly not cause a disturbance.

This notwithstanding that I have yet to see confirmation that planning permission was granted for 2015/1688/P

I DID see planning permission granted in the case of 2014/5924/P ; it came in the form of a written letter

So while we wait for the new system to roll out, I'm looking for a hard copy letter confirming the status of the application for BOTH 2015/3297/P AND 2015/1688/P

Thank you.
