2015/5959/P	Rachel Escott	Flat 176 Russell Court Woburn Place London WC1N 3LW	01/12/2015 09:27:11	OBJEMAIL	As an owner/ resident of a flat in Russell Court I object to this change of use. A takeaway facility encourages eating on the streets, increased litter, increased external presence and noise right under our windows and very likely an extension of the time people will do all of these things late into the night, as it will encourage customers after pub and nightclub closing. Managers of takeaway show much less responsibility over the behaviours of their customers than do cafe managers. premises
