2015/6114/P	Kim Fisher	Office 2.06 175 Gray's Inn Road London WC1X 8UE	29/11/2015 18:57:01	COMMEMP ER	I object to this application, as my office is based in 175 Gray's Inn Road. We recently had building work going on opposite (or behind this building), and the noise was excessive for over 3 months. The extension of a roof extension at 171 Gray's Inn is likely to cause even more disruption due to an excessive noise level. For this reason I strongly object to the application.
