Your comments on the planning application

I refer to a comment in the Design and Access Statement of the current Planning Application (ref. 2015/3377/P) which refers to a consultation with neighbours which is not correct. It states on p. 11:

"Early engagement with the neighbours at No. 1 and 2 Branch Hill raised potential concerns of loss of afternoon sunlight into their garden."

As owner of The Chestnuts No. 1 Branch Hill until the end of June 2015, I would kindly ask you to note that I never had

an early engagement with Mr. Kaye to discuss loss of sunlight and find it misleading to make such a false statement. I wrote a long letter of opposition to the project which you will find in the previous application (2015/0457/P) and would ask you to review those since the new application does not seem to address the points I raised at the time.

On another note, I find it surprising that the previous application can be withdrawn with all its extensive comments from the neighbours and completely replaced by another one which does not address the majority of objections. Doing so in the middle of the summer with a comment period between mid-July and mid-August when most people are away is also not appropriate, and I hope you do take into account all the comments made in the previous application as still valid.
