Dear Sir/madam,

Re: 5 Gilden Crescent, London, NW5 4QA

Application ref: 2015/6266P

Associated ref: EN15/0705

Further to your e mail I confirm that the above property had been used as a residential property for last 15 years. In the last four years various utility bills were in the name of tenants and have therefore no access to those bills. However I have attached the bills for periods of time that were addressed to myself along with a letter from EDF confirming supplies to the property for the time in question. I have also attached receipts of deposits in safe custody for tenants who resided at the property and the managing agents were: Rochester Place Ltd, 161 Kentish Town Road, London, NW1 8PD. I hope this is sufficient for you to proceed with the application.

Thanking you.

Yours faithfully,

Mr Manoj Patel
