Your comments on the planning application

I wish to object in the strongest terms to this planning application. It beggars belief that welfare and livelihoods of so many people, in particular talented people, can be endangered by the selfish interests of just two people. The national and international importance of Air Studios has already been well covered by previous commentators. The short term effects of such works would be catastrophic, temporarily closing down the studios, the long term effects would probably be terminal. This is an internationally famous recording studio, contributing considerably to the national purse and exchequer, as well as looking after the livelihoods

of British talent, as well as contributing to the British Brand.
All this is in danger because of someone's basement
extension for a private pool? As someone who has the good
fortune to work at Air I strongly urge the planners to reject
this application in total. With thanks for the opportunity to
comment.
