## BIARD 50W SLIMLINE BLACK LED FLOODLIGHT

### PRODUCT FEATURES

- Equivalent to 300W Halogen
- 120° Beam Angle
- Low Energy Consumption
- 4500 Lumens
- Long Life Span

### PRODUCT DESCRIPTION

This high quality LED floodlight is ideal for both commercial and domestic settings to add visibility and security to a surrounding area. This stylish floodlight comes with a sleek, modern design for a unique alternative to exterior lighting. To install this floodlight, mount to a wall. A wide beam angle of 120 degrees ensures an ample spread of light.

The 30W Biard Slimline Black LED Floodlight is the equivalent to fitting a 300W halogen floodlight, but much lower on energy consumption. The energy saving LED has a lumen output of 4500.

This LED floodlight comes with a choice of Warm White or Cool White light. Warm White is a soft yellow light, popular in domestic areas, while Cool White is bright and clean and more often seen in commercial locations.

A hard-wearing aluminum exterior will ensure this floodlight operates year on year at peak efficiency. The LED has a lifespan of 50,000 hours for added reliability. Unlike halogen floodlights, the 50W Biard Slimline Black LED Floodlight illuminates to its full brightness instantly, it is free from UV rays, shatter resistant, with a low heat output and money saving.

All Biard branded LED floodlights are CE, TÜV and RoSH approved.

All Biard branded products are covered by a two year warranty and have a 30 day money back guarantee.
