2015/5565/P	David White	Flat 3 28 John Street London WC1N2BL	07/12/2015 17:11:12 INT		We live at Flat 3, John Street, immediately beside the site of the proposed works and our dining room window looks out over the current roof terrace on which the proposed mansard roof will be erected. We have no objections to the proposal provided that the roof line of the development does not come above the height of our window so that our daylight is not affected.
