2015/5959/P	M C Daggett	Flat 106 Russell Court WC1H 0LP	07/12/2015 20:20:17	OBJEMPER	I object to this application. The proposed change of use would be detrimental to the amenity of the substantial number of residential flats located above and around the subject property. Extract provisions appear entirely inadequate and will result in unpleasant odours affecting residents. Further, it is likely that a take-away business would generate an unacceptable level of noise, directly beneath flat windows, as customers arrive, loiter and leave the premises in the evening.
