Dear Ms Roe,

We are referring to planning application 2015/6498/P 31 Upper Park Road:

"Replacement of existing single glazed windows with double glazed, hardwood windows"

You are giving our chair Eldred Evans as the consultee, but we did not receive any e-notification let alone one correlated with a PIN number.

Nevertheless we would like to submit our comments as follows before the deadline for comments on the 24th of December :

NO objection provided the replacement windows match exactly the existing windows in design and all dimensions.
