Your comments on the planning application

I am referring to the amendments of the floor plans of the building facing Finchley Road (Drawings FR14-MMA-104 until -109). I am a resident of the neighbouring house, 6th floor, and have concerns that the changed floor layout will cause additional noise and potentially odour nuisance due the fact that the toilets on the 6th floor will be directly next to my bedroom and the communal kitchens have been moved towards the side of Barkat House. I would therefore like to make a case for maintaining the original floor plan layout.
Kind regards, Jan
