2015/6357/P	Tracey Reddings	Flat 1 106-109 Saffron Hill Farringdon London Ec1n 8qs	08/12/2015 21:48:08	OBJ	As a resident of flat 1, 106-109 I object to this planning. There is already significant noise disturbance from the generator and when staff use the ground floor small terrace, this overlooks bedrooms and impacts privacy, potentially would create further noise disturbance, as it stands at present we are disturbed if windows are open, this would potentially cause further disturbance and a lack of privacy.
