3. Description of the Proposal

Please describe the proposed development including any change of use:

The refurbishment, upgrade, alteration and extension to the interior of Flat 2
 The installation of period sash windows and doors to replace the existing out of character units
 The interior alterations leave all rooms in their present location, but involve the removal of a column and a wall in the lobby/kitchen area, and includes the removal of a chimney breast in the utility room.
 The kitchen is extended to the rear by approximately 1.25 sq. m between two existing flanking walls
 The introduction of quality landscaping to the exterior spaces including the retention of two large lime trees.
 The addition of natural timber inner linings to the front and rear boundary walls. The linings sit no higher than the present brick boundary walls.
 The above follow the recommendations of the arboricultural report prepared for this purpose, particularly in respect of the ground and wall treatment adjacent to the two retained lime trees.
