As a result Mr Evans showed me in advance the plans relating to this veranda. I told him I thought this was an attractive addition to his beautiful property and in keeping with its Georgian character.</p> <p>Further, I am Chairman of Gainsborough Gardens Limited, which manages the common parts to which certain properties, including Heath Lodge, have access under a High Court Scheme of Arrangement. This prevents any change to the outward appearance of a property without the consent of the company. Mr Evans duly sought the consent of the company. I consulted the board. All the directors were in favour of the grant of consent.</p> <p>I therefore support this application.</p>
