Subject: Objection to Planning Application No 2015/6455/P

Dear Sir/Madam

I would like to register my objection to the proposed development at 156 West End Lane, Planning Application No 2015/6455/P.

I am a resident of West Hampstead and so it is very important to me that any changes to the area are for the better. I feel the proposed development at 156 West End Lane is too bulky and too high for the area. It is not in keeping with the style of the rest of the road and it's development would be to the detriment to the look and feel of the area.

Kind regards,

Daniel Gold
Resident of West Hampstead
