Dear Sir, Re: Ref: 2015/6160/T  
and Ref: 2015/6476/T

I refer to the above stated matters relating to proposed tree works at 20 Highfields Grove, London N6 6HR.

When purchasing our house in 2002 it was not possible to see the house 20 Highfields Grove owing to the trees and other vegetation that gave a rural setting to these and other houses on the fringe of Hampstead Heath. Following the works that have already taken place at 20 Highfields Grove, whereby most trees have now been removed, that house is now very clearly visible. The further works now proposed under the above stated references show no sensitivity to the rural setting and do not have our support.

Yours faithfully,

J. EDWARDS
