Dear Sir,

Ref. AMPL Ref. 2015/3973/P
2 BATHON Close, WC1N 3SX

As a owner of the patio and 3 flats in 45
Great Ormond St. WC1N 3HZ I object to
Planning application 2 Bathon Close.

The revised or amended plans remain
unacceptable and our previous
objections (1st, 2nd, 3rd. floor) still apply.

The conversion - the change of use from
business space to residential house
already caused a lot of problem especially
deprivation of privacy to my patio & flats.

Building on other floor i.e. new addition
will add even more loss of daylight, sunlight
privacy, outlook, noise, depreciation of
value of 45 Gr. Ormond St. house.

In year 2010 1st. April. Erection of mansard roof (we
objected) was withdrawn. and Mr. ²⁰¹¹ to build a terrace
with elevated timber screens for their privacy -
their intention ?? step by step - goal !! ??

Thank you for your attention. Yours sincerely

D. LAZAREVIC
