2015/6357/P	Marcelle E speller	Flat 1 106-109 Saffron Hill	14/12/2015 17:09:28	OBJEMAIL	As the joint owner of Flat 1 106-109 Saffron Hill I object to this application. The terrace would overlook our apartment which is on the third floor, so our privacy would be compromised. Terraces of offices are noisy - as we already know from the existing terrace on the lower floor. This addition is unacceptable and I object to it.
