2015/6521/P	Marchmont Association	62c Marchmont Street	15/12/2015 15:28:16	OBJ	The proposed 'landscaping scheme' would appear to be totally inadequate in meeting the conditions attached to the approved change of use from Car Park to Storage Space. We were looking forward to the site being significantly improved, when all that is being proposed is a glorified car park/delivery depot, presumably for the storage company's use. This is a golden opportunity to raise the standard of this site which occupies such a prominent position within the Bloomsbury Conservation Area and is passed by multitudes of foreign visitors. We look forward to commenting on a revised scheme consisting of proper landscaping.
