Planning application number..... 2015/5899/P Asses Ref EN10/0:36

Planning application address..... 16 MILLFIELD LANE LONDON N6 6JD

I support the application (please state reasons below)
I object to the application (please state reasons below)

Your comments

Removal of trees within a conservation area surely is not allowed.
The trees concerned are rare black poplar trees recently ~~are~~ pollarded but amazingly beautiful & rare & old.
The new proposed driveway will spoil the curve of the natural lane it is an unnecessary work + will cause noise pollution + be out of keeping with the driveways at the moment which are all opposite each other.

Please continue on extra sheets if you wish
