

The Heath & Hampstead Society

P.O.BOX 38214 LONDON NW3 1XD

The Society examines all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2015/6155/P

Address: 33 Redington Rd , NW3

Description: Conservatory

Case Officer: Raymond Yeung

Date 12 December 2015

This is a minor proposal, but so badly presented and drawn that we must protest that the application has been validated.

The drawings do not even show the totality of the house concerned, only a small corner of it, so that the design and its context cannot possibly be assessed. The draughtsman could not even spell the address correctly; we suspect he has never visited the site....

Not good enough; we deserve at least basic competence. Please refuse.
