Your comments on the planning application

As a resident and owner of Middlefield, i have a few concerns around the size of this project.
3 houses, across 17 garages, with basements is a huge amount of construction work. Given this work would be carried out directly behind my property, the noise and dirt pollution that would persist, would be immense. Additionally, the safety of the road would also be compromised, given the deconstruction of the garages. The condition of the back side of middlefield would be terrible.
What i would like to be addressed:
- Has the developer (M Offrey) given consideration to

compensating residents for the construction that will no doubt create havoc on our private road for a couple of years?

- Will he re-lay the roads, including adding proper electronic gating and new tarmac, as well as new paving for the entire road

- How will the security issues be dealt with? Will he be providing CCTV as well as private security whilst any potential construction takes place?

I personally do believe that the long term potential for the road having this new development would be positive, but only if the above points are addressed by the developer on day 1. If they aren't, the neighbours will certainly all decline to support any projects.
