Hi Indrani, David & Tarah,

My computer is having some difficulty of late and as a result I'm not certain of Indrani's exact email address, hence the two 'sends'.

As you'll see from the email correspondence below, we need individually and collectively to respond with a firm and strident objection to the proposed planning application that will adversely impact upon our respective homes. The deadline within which to lodge an objection is next week (21 December) and in a bid to speed things up the Camden planning officer in question can be reached as follows:

Mr Patrick Marfleet
Direct email: [redacted]
Phone number: 020-7974-1222

God speed and all best wishes- Catie

Hi Patrick,

Further to my phone call with the wonderfully helpful Fiona Davies in your office, I'm writing to provide you with my phone number should you need to contact me re: my objection to the above referenced planning application. I can be reached at: [redacted]

Should you not be able to make an international call to America from your office, my terrifically efficient and remarkably accessible property managing agent Rose Cavanagh can be reached at the above email or on her mobile number: [REDACTED]

Needless to say it is extremely helpful to have your direct email address and I'm beyond grateful to the team both within and outside Camden Council for alerting me to the need to lodge an objection within the 21 day time period which I believe tolls on 21 December 2015.

I am of course available to answer or address any questions you may have in regard to my strenuous objection to the proposed planning application. Many thanks in advance for your kind assistance.

Yours sincerely,

Catherine Buchanan-Richardson

Subject: Re: Application ref 2015/6410/P - 22 Belsize Square Flat 4 London NW3 4HT

Dear Patrick Marfleet,

I'm writing with regard to the proposed external alteration re: installation of new side window at second floor level of flat 4, located at 22 Belsize Square London NW3 4HT. (Application ref: 2015/6410/P).

As the owner of 9A Lancaster Drive Belsize Park London NW3 4EY, I wish to formally lodge my extreme objection to these proposed plans.

To wit, this installation would significantly impact and deprive my master bathroom with the light that illuminates this area from the top window. It would in addition severely compromise the entire roof area, causing extreme problems concerning the unfettered access for work to be done on a regular basis in order to maintain the safe and secure order of my home. It would also obliterate the aesthetics of not only my house but this longstanding conservation area.

By Cc copy of this email to my immediate next door neighbour Mrs Jo Nicholl of 9B Lancaster Drive, I am alerting her to the hideous damage such a proposed alteration would cause to our respective homes. For ease of Mrs Nicholl's reference, Patrick Marfleet at Camden Council can be reached via direct phone number [REDACTED]. As the Planning Application runs from 30 November for a 21 day period it will be necessary to act swiftly in lodging an objection.

I can be reached at the above referenced email address or via phone: [REDACTED]. Should you require any further information or comments, please don't hesitate to contact me.

With many thanks for your attention to this matter and looking forward to hearing from soon,

Mrs Catherine Buchanan-Richardson
