26 Brookfield Park, NW5 1ER

As a local resident who would be strongly affected, I object very strongly to the planning application 2015/6593/P respecting her Mansfield Bowling Club site. This site is designated open space, and its use for housing would harm the Dartmouth Park Conservation Area, contrary to Camden Core Strategy Policy CS14 & 15.

It is very strange that Officers have suddenly reversed their opinion hostile to this sort of development for years past, and their recommendation for approval should be strongly rejected by the Development Control Committee.

Dr M. Port.
